

# Easy Three Ingredient Ice Cream

## Ingredients

2 cups or 500mls Double cream

Tin of condensed milk

Fruit of your choice cut very finely

## Method

Whisk the double cream and condensed milk until thickened.

Add the fruit of your choice to the cream mixture.

Place in a plastic container and freeze for 8 hours. Place clingfilm over the ice cream before you put the lid on. This will stop ice crystals forming on the top.

## Other ice cream flavour ideas are:-

Add a swirl of Nutella or peanut butter

Add 12 crushed oreo biscuits

Add Chocolate chips or M and Ms to your taste

Add a chopped banana

Add 2 teaspoons of vanilla essence or extract
