

Class 1, Class 2 and Dosbarth Mrs Dixon ACTIVITIES
13th July – 17th July 2020

We thought we would finish on another one of our favourites. We will be working on 'Dear Zoo' for the next two weeks. We hope you enjoy it as much as we do!

We think you will love dancing along to this song of the story!

Remember to have a look at the video of Miss Kerry reading the story and see if you can join in with any of the signs.

Here's some activities for you to do this week:

Monday:

Five little speckled [frogs-https://www.youtube.com/watch?v=WSC-gHBU_d0](https://www.youtube.com/watch?v=WSC-gHBU_d0)

today we would like you to cut out Five speckled frogs and use them to do some taking away (subtraction) like the sums you saw in the song. How many sums can you do? you could always make/draw some more frogs if you want to practice with bigger numbers.

Tuesday:

Phonics Day - <https://www.youtube.com/watch?v=euxN7LGOoLc>

Today we would like you to use your mark making skills to write your own letter to the zoo. What animal would you like, be sure to write why it's your favourite and how you will look after it. Make sure you draw a picture of it to go with your letter.

Wednesday:

Elephants are not just big they are heavy - <https://www.youtube.com/watch?v=-cjPAPFuGLM>

Find things in your house and sort them into heavy and light. If you have some scales you could weigh them to make sure you have sorted them correctly. Can you find any things in your house that weigh the same.

Thursday:

Today we would like you to pick your favourite animal and make a picture of it. You can draw it, collage it, paint it, cut it out - the choice is yours but remember we would love to see what you create.

Friday:

Start today with some Yoga - <https://www.youtube.com/watch?v=C4CaR0syf1g>

We would also like you to make/decorate a box that you can keep some special treasures in that will tell us all about your summer - maybe a stone you find in the garden, photographs (these could be sent to teachers emails), pictures you have drawn, or if we are lucky enough to start having some days out- a ticket stub of where you have visited. We look forward to sharing these special memories with you when you return to school.

Here is a reminder of our email addresses for you to send pictures/videos of your work to:
