

Dear Parents/Carers,

Returning to School: Arrangements for September 2020

Following Welsh Government direction, primary schools across Wales will welcome all children back to school in September.

I would like to thank parents in advance for supporting us in ensuring a smooth transition into the new 'normal' school routine. I understand that this may cause some inconvenience, however, please be reassured, that the health, well-being and safety of all children and staff is our priority at this time.

As Lockdown prevented children from visiting their new classes and meeting with their new teachers, we will operate a staggered return for year groups, giving children time to adjust to their new environments and routines. Please see the attached information detailing the starting dates for children from Reception to Year 6. There are separate arrangements for new Nursery and those children in Y Canol and Mrs Dixon's Class and parents will be contacted directly.
