

MISS BARNES' CLASS ACTIVITIES
13th to 17th July 2020

You have worked so hard and adapted so well to home learning, for our final weekly activity I thought we would do it all about **The Olympics!**

Here's some activities for you to do this week:

Monday: Let's Get Writing

The next Olympics will be held in Tokyo, imagine you are there and have been to see the different events taking place! Write a postcard to a friend about being in Tokyo and the different competitions you have watched!

Tuesday: Discovering the World

Usain Bolt holds the fastest 100m sprint record of 9.58 seconds! He is a famous Jamaican, research Jamaica and create a poster about it, think about what it looks like on a map, what food they eat, what is the weather like, are there any other famous people from Jamaica?

Wednesday: Getting Crafty

Winners of the events receive a medal, depending on how well they do! If you win the event you receive a gold medal! Look at the different gold medals there have been over the years and design your own! If you wanted, you can even create a silver medal with tin foil!

Thursday: Number Crunching

The Olympics are not always held in Tokyo, the countries that participate in the events take it in turns to host. Take a look at the places below and the date they hosted the Olympics. Can you put them in order?

Friday: Keeping Fit!

As we know, Usain Bolt holds the record for the fastest 100m sprint! Can you remember how long it took him? I wonder how far you can run in 9.58 seconds? Or perhaps you can map out 100m and get as close to his time as possible!

Other ideas:

If you have a printer at home there are lots of resources about the Olympics on www.twinkl.com

Don't forget:

Throughout the week visit https://www.youtube.com/channel/UCo7fbLgY2oA_cFCI9GdxtQ to practice those Speed Sounds if you use Read, Write, Inc. at school.

Visit <https://www.oxfordowl.co.uk/home/reading-site/find-a-book/library-page?view=image&series=Read+Write+Inc>. to read some special Read Write Inc. books

Remember to have fun!!! That's the most important thing when learning.

Ask your mums/dads/grown up helpers to email photographs of your work or you doing some activities to me – BarnesS15@hwbcymru.net and I will share some on the school website.

Thank you for all of your hard work, have a lovely Summer everyone, I can't wait to see you soon!
