

MISS ELLIS' CLASS ACTIVITIES
13th – 17th July 2020

This week I'm sending activities based on the book "Aaaarrgghh Spider!". This story is about a spider who wants to be a pet. Do you think a spider would make a good pet? If you haven't read the story or haven't got a copy of the book you can read along with it using this link: <https://www.youtube.com/watch?v=ZQMBef8nwzo>

Here are some activities for you to do this week:

Monday: My pet spider

Can you make your very own pet spider? You could use playdough, an egg box or pipe cleaners. How many legs will you need for your spider? What colour will you need to use? What will you call your spider?

Tuesday: All about my pet

Can you tell me about your pet? Can you write its name, what it looks like and why it is a good pet? Remember to pinch the sounds, use your finger spaces and that letters love the line!!

Wednesday: Weaving webs

Spiders make and live on webs. Can you find any spider webs in your garden? What do they look like? Can you make your own web for your pet spider? You could use a paper plate or lollipop sticks and string to weave a web or you could use glue and glitter to create a sparkly web.

Thursday: Mad about minibeasts

Here is a link to another story all about different minibeasts. It is called "Mad about minibeasts" : <https://www.youtube.com/watch?v=SW-7MgHEZOE>

Below are some picture of minibeasts, can you split them into the two groups? One group is for minibeasts that have legs and the other group is for minibeasts that don't have legs.

Friday: Bug hotel

Can you find any minibeasts in your garden or outside? Where do different minibeasts like to live and hide? Can you use natural things from outside to make your own bug hotel? You could twigs, leaves, soil.
