

MISS TINN'S CLASS ACTIVITIES
13th to 17th July 2020

This week I'm sending activities based on the book "There's a Snake in my School!"

I have found a lovely animated version for you to look at here:

Here's some activities for you to do this week:

Monday:

Bring your pet to school day!

Draw and write about your pet, I want to know all about them! If you don't have a pet you can draw what pet you would like to have and describe it. Would you like a big snake like Miranda in the story?

Tuesday:

Design a school uniform.

Our school uniform is lovely with its blue and yellow... but if you could choose what colour would you have? Would it have a pattern? Would you wear a tie? Maybe some unusual shoes? Let your imagination run wild!

Wednesday:

Snake bubbles!

You will need:

A sock

A plastic bottle

Some fairy liquid

1. Use a pair of scissors to cut off the bottom of a water bottle

2. Stretch out the sock and slide it over the open end of the water bottle

3. If the socks you are using are too big to fit tightly over the bottle, you can hold them in place with an elastic

4. In a small container, mix together some dish soap with a small amount of water.

5. Dip the end of the bottle and sock into the bubble solution

6. Then blow on the mouth piece of the bottle to make the bubbles.

Thursday:

Getting ready for September!

I bet you can't wait to get back to school in September. Can you write some information about yourself for your new teacher? You could draw a picture of these things and yourself.

Here are some ideas that you could include:

Likes

Dislikes

What are you looking forward to?

What is your favourite subject?

What areas do you like to play in?

Who are your friends?

Friday:

Research information about snakes. What is the biggest snake in the world? Where can you find a snake? Which snake do you like the most? What do they eat?

Use the information that you have found to create a poster about snakes.
