

## CLASS 2 (11<sup>th</sup> - 15<sup>th</sup> January 2021)

### Monday

Have a look at your child's Individual Education Plan (IEP) and see if you can link any to the activities shown below.

### **Tracing**

Ask your adult/s, brother or sister to draw some shapes or letters with a thick lighter coloured felt tip then use a darker coloured felt to trace them. If you need help your adult may need to give you verbal prompts, or support your hand/wrist/elbow. Check your IEP or email Miss Kerry if your adult needs to check this.

### **Making patterns**

Copy a pattern that your adult makes for you. You can do this by drawing different shapes, with different coloured socks, with movements e.g. jump, turn, jump, turn. Can you do the same?

You could make repeating patterns with your toys e.g. red car, blue car, red car, blue car.

### **Drama**

Lots of you liked moving around like a dinosaur last term. Show everyone at home how to do it e.g. stomp around loudly, be tall to reach the leaves, roll up small like a dinosaur egg, put your arms out and fly, spin around looking for food. Try to move fast then slow, what other animals can you be?

## Tuesday

Have a look at your child's Individual Education Plan (IEP) and see if you can link any to the activities shown below.

### **Mark making**

Use your hands, a fork, a potato masher, toys cars, plastic figures etc. to make marks across your paper. How many marks can you make before you need more paint? If you do not have paint can you use crayons to make rubbings of different items around the house e.g. brick, tiles, the bottom of clean shoes, zips.

### **Maths**

During your daily exercise (or from your garden) count the trees you can see, the cars, the buildings, dogs etc. What colours can you see? Count the steps between lampposts. What shapes can you see?

Also, what sounds can you hear? What is the weather?

### **Music**

Let's make a musical instrument. Choose a tub, bottle, box, tub etc. to make a shaker. Decorate it with pens, stickers, paint etc. and add some rice, pasta, broken up spaghetti etc.

Play you instrument along to the song and/or join in the signs/actions

### **Maths**

Can you have a look at things that are long e.g. tights, scarf and things that are short e.g. socks, gloves. Can you draw a long line a short line? Can you make a long line of toys and a short line of toys? Put your toys next to each other, which one is short which one is long?

### **Science**

We're going on a material hunt.... Ask an adult to help you. Have a look around your house for things that are wooden e.g. spoons, toys, chopping boards. Then look for things that are plastic e.g. tubs, toys, cups. Explore them by looking, feeling, rolling, tapping etc. are they smooth, bumpy, hard or soft?

## Thursday

Have a look at your child's Individual Education Plan (IEP) and see if you can link any to the activities shown below.

### **Attention autism**

Watch this video [Attention Autism Session Stage 1 & 2 Rainbow - YouTube](#)

Can you paint a rainbow like the lady in the video, or use a sponge or colour one in.

You can also find videos here to explain how Attention Autism works if you want to learn more about it.

### **Maths**

Let's look at 'in, on and under'. Can you listen to the instructions and put your doll, teddy, toy etc. in those places? For example, put the doll **IN** the box, put the teddy **ON** the table, put the car **UNDER** the chair. Play hide and seek, ask the adult to hide your toy and then look for it, tell the adult if you found it 'in, on or under'. Can you get in things, go on things or go under things?

### **PSE**

Looking at emotions. Look in a mirror with your adult/s and/or sibling/s ask them to show you a happy face then a sad face. Can you do the same? Let them make a face, can you tell them if they look happy or sad? Can you look for happy and sad characters in books, on the TV in films? Have a go at drawing some happy and sad faces.

## Friday

Have a look at your child's Individual Education Plan (IEP) and see if you can link any to the activities shown below.

### **Reading**

Snuggle up with a few books. Choose which one you want to read first. Listen carefully to the story being read, look carefully at the pictures too. Get your adult to ask you questions e.g. What did Bob do? Where is ...? Is it good or bad? Do you like it?

There are still stories on the Ysgol Heulfan YouTube channel you can watch [Ysgol Heulfan - YouTube](#)

### **Technology**

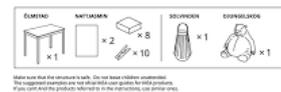

It is time to help in the kitchen. Can you help make a sandwich? Butter the bread, choose, and add the filling, chop and peel some salad to go on or by the side. Cut in half or quarters, are you going to have rectangles, squares or triangles? Can you make a salad face?

Enjoy! Don't forget to help with the washing up.

**Can you make a den to eat your sandwich in or read your books in?**
