

## 3D Home Learning - Monday 11<sup>th</sup> January

### Maths

Let's do some measuring! Copy the table and go around your house finding things to measure. You can use a ruler, measuring tape or just count how many hands each item is. You can do as many as you want.

Object	Length in ___

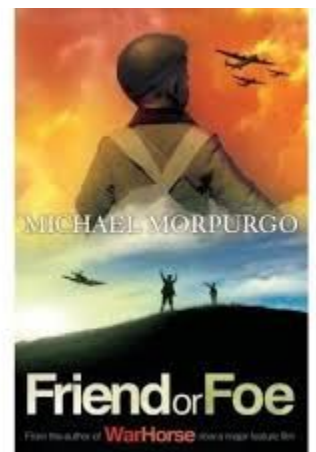

### English

Write a recount of your Christmas day. Write down lots of detail of what happened from morning to night and remember your full stops and capital letters!

### Topic

Since before Christmas we were reading 'Friend or Foe' by Michael Morpurgo, I've decided we will be looking at World War 2! So today I'd like you to create a spider diagram (like we've done in class) on what you know about WW2 and what you can remember from class.

I look forward to seeing all of your wonderful work! Just take photos and email them to me at: [DaviesCIS97@hwbcymru.net](mailto:DaviesCIS97@hwbcymru.net). Stay safe everyone!

Miss Davies.
