

Our Topic this week is: Winter!

English:

Write an Acrostic poem about winter. Remember to use lots of wonderful adjectives to make your description exciting!

W _____
I _____
N _____
T _____
E _____
R _____

Maths:

Go around your house and collect different things that you associate with winter (e.g. walking boots, hat, scarf, gloves, hot chocolate, blanket, etc.).

Can you put them in size order from smallest to biggest?

Can you group them into different categories and label what the different groups you've chosen are?

Topic:

Draw a beautiful winter scene. You can decide if you want your paper to be portrait or landscape, if you want to include snow and if you want to set the scene to be before or after Christmas. Use colours, stickers and any other art and craft things you may have at home to decorate it.

Remember to email me any work you complete, you can take a picture of it or send it me from your Hwb account, my email is LloydC403@hwbcymru.net.
