Maths

Before Christmas we looked at and found information from Pictograms.
Here is a Pictogram, can you answer the questions based on the graph?

Class Pets

Dog Cat Fish Rabbit Hamster

Each picture represents 4 children.

1. Which is the most popular pet?
2. Which is the least popular pet?
3. How many children had a hamster?
4. How many children had a rabbit?
5. How many children had a dog and a fish?
6. How many children had a rabbit and a cat?
7. How many more children like a dog compare to a hamster?
8. Which was the second most popular pet?
9. How many more children like a Cat compared to a dog?
10. Can you write two or more questions for me to answer?

I will email my answers back to you for you to check.

This week we are going to take a trip to South America and find out all about the country Brazil.

These websites will help you to do some research.

- [Brazil Facts for Kids | Brazil Attractions | Geography | Food | People \(kids-world-travel-guide.com\)](#)
- [Brazil Country Profile - National Geographic Kids](#)
- [Fun Brazil Facts for Kids - Interesting Information about Brazil \(sciencekids.co.nz\)](#)

English

Create a poster about Brazil including information, facts and pictures.

You can use colours, felts, pictures or drawings to make your poster attractive and colourful.

These are some things that you could include in your poster:

- Flag
- Currency (money)
- Language
- Weather
- Capital City

They use Brazilian Real as their currency.

The capital city of Brazil is Brazilia.
Other cities include Rio de Janeiro and São Paulo.

Brazil

Christ the Redeemer stands overlooking Rio de Janeiro.

In Brazil the main language they speak is Portuguese.

Topic

Every year in Rio De Janeiro, they celebrate a Carnival festival held every year before Lent and is the biggest carnival in the world with two million people per day on the streets. The first Carnival festival in Rio occurred in 1723.

Every year, people wear bright and colourful costumes and travel through the streets on bright floats.

Here are some pictures of the carnival.

On a piece of paper, design your own costume or float that you think could be in the Rio carnival.

Or you could maybe make your own headdress with cardboard you have lying around and if you have any gems, feathers or sequins you could stick on even better.

Make sure you make it really bright, bold and colourful. The bigger the better! I can't wait to see what you come up with.

Thank you all for working so hard last week. It is lovely to see so many of your smiling faces and your beautiful work. Keep it up!

Remember to email me what you get up to, to pryderchn@hwbcymru.net

I am missing you all so much, I hope I will see you all soon. Miss Prydderch xx
