

## Home Learning – Monday 11<sup>th</sup> January

I hope you all had a lovely weekend and are keeping safe and well. This term our topic is 'Space', so I thought we could with some work on 'Aliens'.

First of all, I would like you to start by watching a short film on YouTube called "INVASIONS" by Clement Morin. Here is a link:

<https://www.youtube.com/watch?v=pHmjkMy4aBo> Your English work all this week will be based around the short video.

### English

Write a description of what the alien saw, heard and felt as he jumped from aeroplane down to Earth. Try to use as much descriptive language as you can. Remember to use different sentence starters, short and extended sentences and ambitious vocabulary (wow words). You could also consider using similes and/or metaphors.

### Maths

Zids have 4 spots. Zods have 9 spots.

Altogether some Zids and Zods have 48 spots.

How many Zids are there?

How many Zods are there?

What if Zids have 5 spots, Zods have 7 spots, and there are 140 spots altogether?

Show your workings out.

Some Tripods and Bipods flew from planet Zero, There were at least two of each of them.

Tripods have 3 legs.

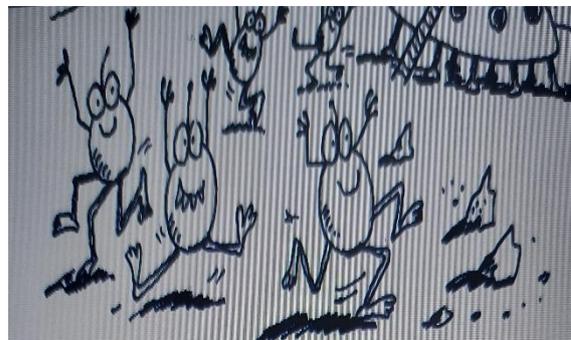

Bipods have 2 legs.

There were 23 legs altogether.

How many Tripods were there?

How many Bipods?

Find two different answers. Show your workings out.

## Topic

Thinking skills time: Think of at least 10 questions about aliens that you would like to have the answers to. Write them down. Make sure you have Capital letters at the beginning of your questions and question marks at the end. Here are some of mine:

How fast can aliens run?

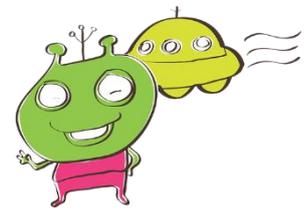

Where do aliens like to sleep?

How small is the smallest alien species?

*I have uploaded another Maths activity to google classrooms if you have a printer.*

A reminder of how to access Google Classrooms:

- Log into HWB
- Click on menu and then Google for education.

- It may ask you to log in. This is just the same as your HWB email and password.
- You then need to click on 'Mrs Wilkes 20-21'
- Next click on classwork as shown in the picture.
- You will then find the work under Home learning.

There is also lot of activities on BBC Bitesize and CBBC are putting on live lessons for the children all this week starting at 9am.

Email me your work to [mckeea1@hwbcymru.net](mailto:mckeea1@hwbcymru.net)

I look forward to seeing your work. Mrs Wilkes
