Staff wanted at the castle

Can you apply for one job at the castle you would like to do? Things you need to include in your application:

1. Which job you are applying for?
2. Why you are applying for that job?
3. Why would you be good at that job?
4. What experiences do you have which would help you in your new job role?

Maths

The dragons in the story have to guard castles to protect the princesses. Can you make your own castles out of shapes? You can either draw a new one using this design to help you or print and cut out the shapes below to create your own. You can add shapes if you like, the design is completely your choice.

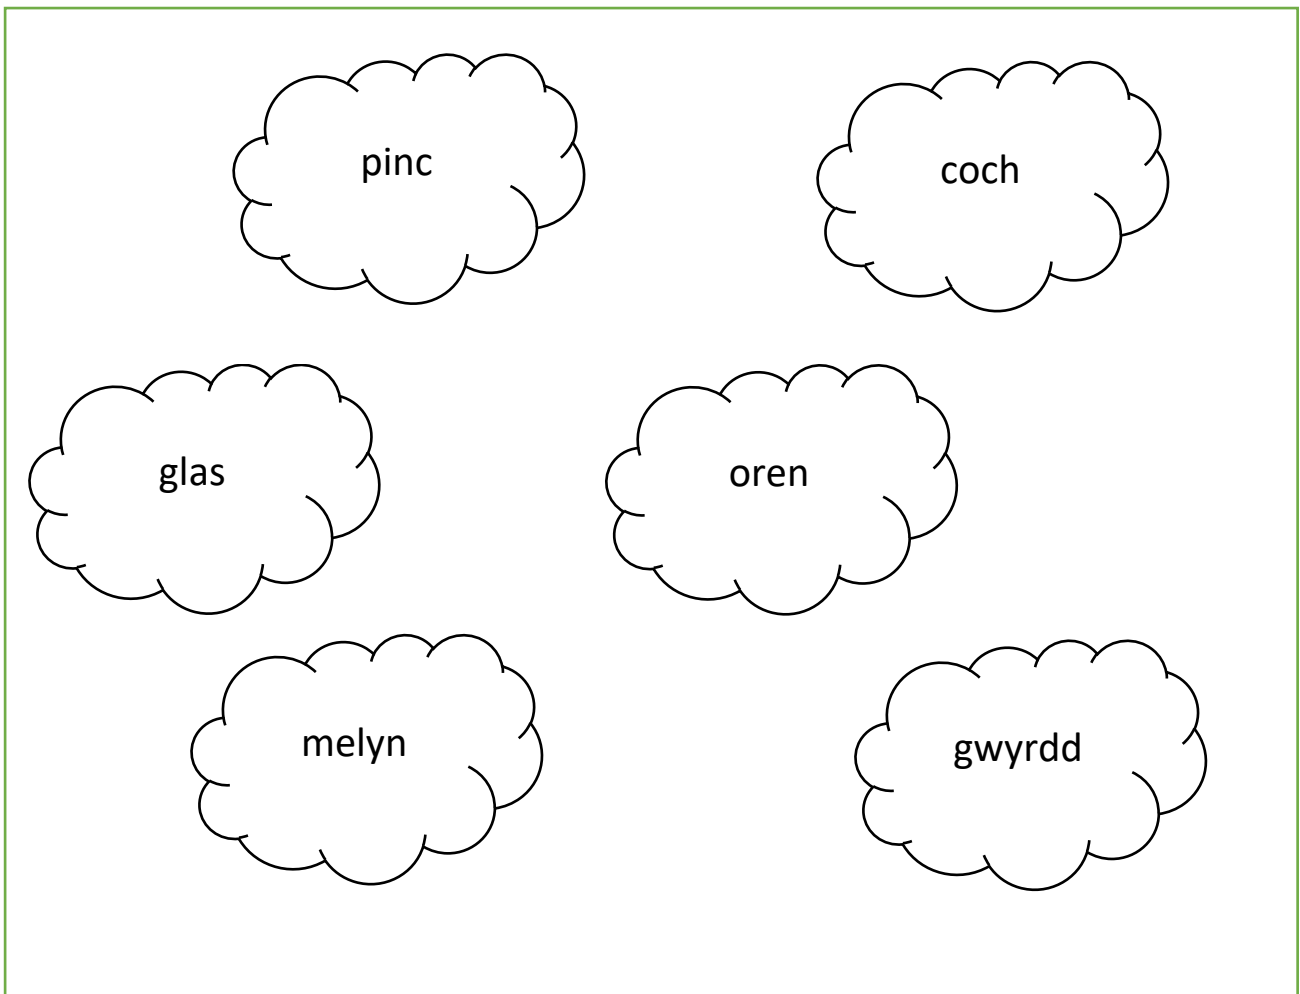

Welsh

We have a red dragon (draig goch) on our flag.
It is important we know our colours in Welsh.

Can you colour the clouds in the correct colours and label them? You don't have to draw clouds you can draw balloons, dragons or paint pots -it is up to you.

I hope you are all enjoying our Zog story.
I am looking forward to seeing your work today.
All work should be emailed to Daviesf47@hwbcymru.net

Thank you
