

Dosbarth Miss Ellis
Thursday 14th January

Literacy

Today we are going to practice our writing. Below are two pictures, can you write a simple sentence to go with each picture?

Remember:

- Capital letter
- Full stop
- Finger spaces
- Letters love the line

Maths

Today we are going to carry on with odd and even numbers. I would like you to find different objects around your house or garden and then count them e.g. Lego blocks, dolls, cars, felts, grapes, crisps. Once you have counted your objects can you then say whether it is an odd or even number.

I have found 3 apples which is an odd number.

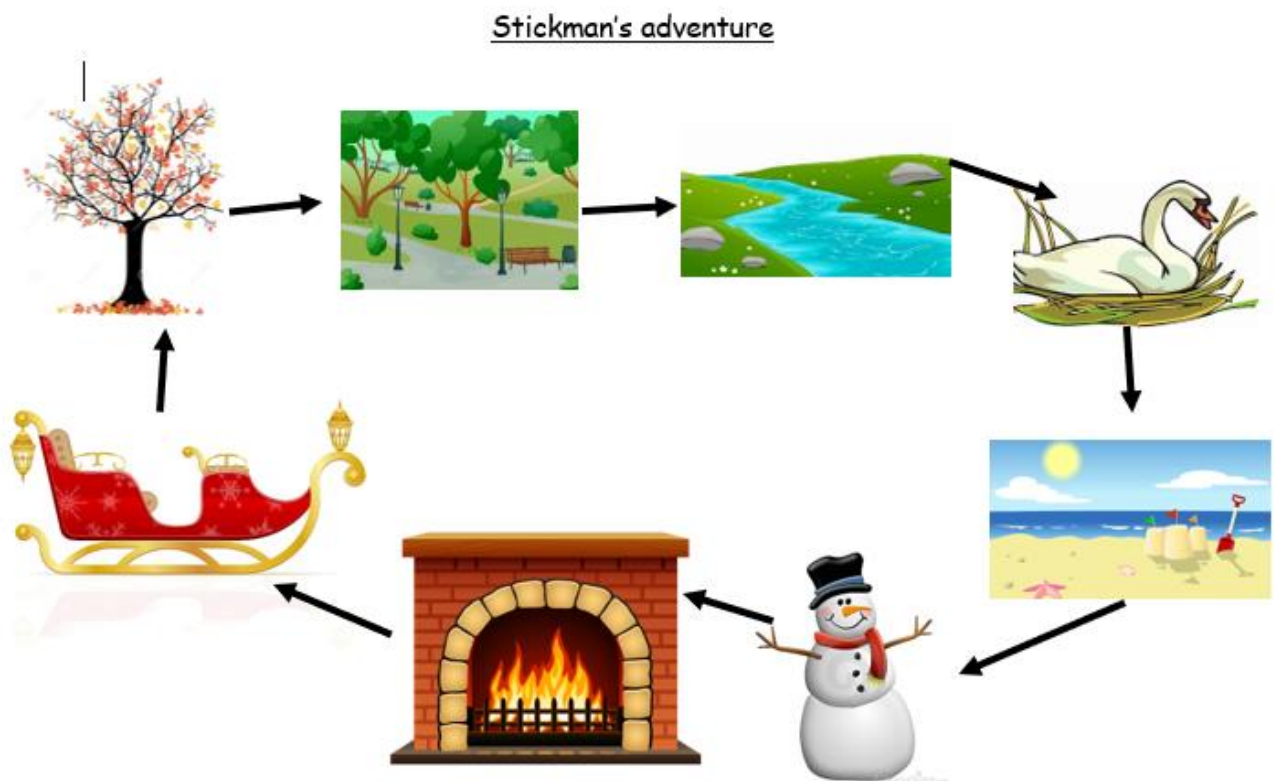

I have also found 6 books which is an even number.

Topic

Today I would like you think about the journey that Stickman went on. Can you remember where Stickman went? Can you make a map of where Stickman went on his adventure? You could even label the pictures you have drawn.

This is my map of Stickman's adventure.

Remember to have fun!!! That's the most important thing when learning.

Ask your mums/dads/grown up helpers to email photographs of your work or you doing some activities to me – EllisS6@hwbcymru.net.

Miss Ellis x
