

Our Topic this week is: Winter!

English:

Write a recount about one day during your Christmas holidays. Remember to use:

- Full sentences
- Capital letters
- Full stops
- Paragraphs

Maths:

Either watch the weather during the news on the television, or looking online (either the BBC Weather or the Met Office), tell me which town or city is the coldest today (some places might be so cold they even go into negative numbers!!). Which town or city is the warmest? Is the north part of the country the coldest, or is the south?

Topic:

Design your own hat, scarf and glove set to sell in a shop. Remember to make the design interesting, but also attractive to buyers. You can choose if your set is going to be matching or if each piece is going to be different.

Remember to email me any work you complete, you can take a picture of it or send it me from your Hwb account, my email is LloydC403@hwbcymru.net.

Miss Lloyd
