Maths

The temperature is very different in Brazil to Wales.

Here is a table of the temperatures in each month in Brazil and Wales.

First, I would like you to find the difference between each month of the year.

Eg. January $26 - 9 =$

Then answer these questions:

1. Which was the hottest month in each of the countries?
2. Which was the coldest month in each of the countries?
3. Which month has the biggest temperature difference?

Month	Average Temperature in degrees Celsius	
	Wales	Brazil
January	9	26
February	9	26
March	10	25
April	12	24
May	15	22
June	17	21
July	19	21
August	19	22
September	18	24
October	15	25
November	12	25
December	9	26

English

Today I would like you to research a Rainforest animal, maybe a toucan, a jaguar or my favourite a sloth.

Then, with your research I would like you to write Non-Chronological report about that animal.

Use this report one on tigers to help you how to set out your report.

You can use the titles to help you:

Introduction

What do they look like?

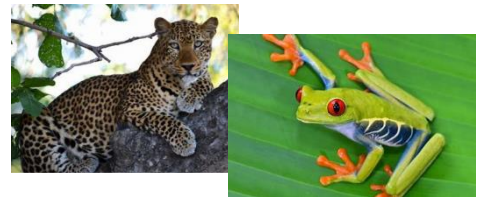

What do they eat?

What do they do?

Where do they live?

Extra/Did you know?

Include a picture of your animal too.

Tigers

Tigers are a type of big cat that live in India and are very dangerous.

What do tigers look like?

Tigers have orange fur with black stripes so they can hide in tall grass.

What do tigers eat?

Tigers are carnivores. They hunt for their food.

What do tigers do?

Tigers live on their own. They like to hunt and are the only big cat who likes to swim.

A male tiger

Did you know?

Tigers are an endangered species. That means there are not many left in the wild.

Art

Find a picture of a Rainforest animal and re create it.

You could:

- Do a pencil sketch
- Draw and colour with pencils or pens
- Paint
- Create a collage.

You have been so creative so far, I can't wait to see what you come up with.

Remember to email me what you get up to, to prydderchn@hwbcymru.net

Miss Prydderch xx
