Today we are going to be matching shapes. Can you cut out the shapes and match the snowmen up. Remember to tell your grown up or helper about how many sides and corners each shape has. If you don't have a printer maybe you could draw out the shapes yourself.

**Activity 3:**

Yesterday you went on a winter walk. I'm sure you will have seen lots of wintery trees. Today I would love it if you could draw a tree or find a picture of one then use some white paint and your fingers to paint a wintery picture for me. If you have some glitter you could use that too to make your picture
