

Our Topic this week is: Winter!

English:

We are all **amazing** at writing recipes and instructions by now! Can you write a set of instructions telling me how to make hot chocolate? You could even check that your instructions are correct and warm up with a yummy hot chocolate yourselves!

Maths:

If you have some, use paper plates, otherwise find something big and circular to draw around and make a clock. Can you draw the hands on the clock to show me the right times for:

10 o'clock:	Time to build a snowman
12 o'clock:	Time to warm by the fire
Half past 2:	Time to go sledging
Quarter past 4:	Time to watch a film
Quarter to 6:	Time to read a book
7 o'clock:	Time to drink hot chocolate

Topic:

Using a piece of paper and a pair of scissors, can you create your own snowflake? If you get stuck or need some inspiration, watch this video on YouTube:

Remember to email me any work you complete, you can take a picture of it or send it me from your Hwb account, my email is LloydC403@hwbcymru.net.
