Maths

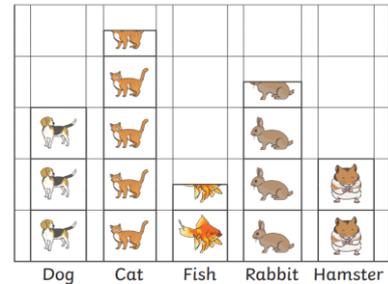

After doing work on Pictograms yesterday, today I would like you to have a go at creating your own.

I would like you to go through your toys, maybe the one you have had for Christmas and create a pictogram like the one you looked at yesterday for your toys.

You could do: puzzles, technology, games, teddies, characters (LOL dolls or lego men)

1. At the bottom put the toys you had.
2. Each little picture you draw should be worth 2 toys.
3. You could draw a different picture to represent each toy.

Class Pets

If you want to, you could write some of your own questions for your own pictogram.

Language

In Brazil, the main spoken language is Portuguese.

Today, I would like you to write some sentences about yourself in Portuguese.

I have written my own example and you need to change the parts written in blue.

Tudo sobre mim

All about me

Meu name e Miss Prydderch.

My name is Miss Prydderch.

Tenho 31 ans.

I am 31 years old.

Meu aniversario e January 9.

My birthday is January 9th.

Eu moro em Wrexham.

I live in Wrexham.

Eu gusto sloths.

I like sloths.

Eu nao gusto onions.

I don't like onions.

You could write your sentences about yourself in a poster.

You could write in different colours and add some pictures to go with your work.

Topic

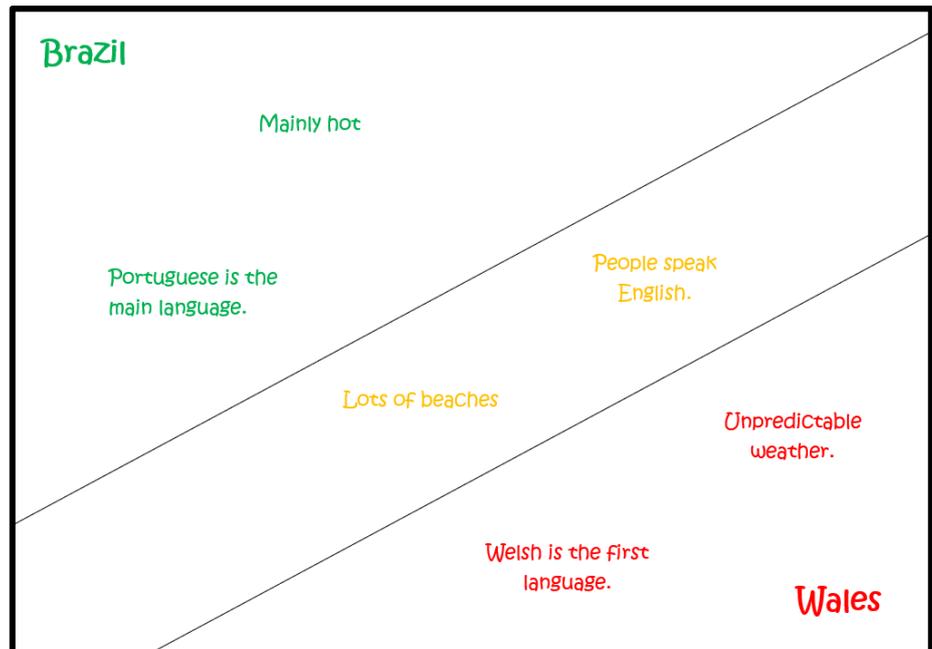

After your research about Brazil from yesterday, I would like you to create a comparison alley between Brazil and Wales.

You can use these websites to help you:

- [Brazil Facts for Kids | Brazil Attractions | Geography | Food | People \(kids-world-travel-guide.com\)](#)
- [Brazil for KS1 and KS2 children | Brazil homework help | Primary geography: Brazil | TheSchoolRun](#)

Remember to use 3 different colours for the different sections.

You can add some picture too to make your comparison alley to make it more attractive.

I am really enjoying seeing all of you work. I am loving seeing your smiling faces.

Remember to email me what you get up to, to prydderchn@hwbcymru.net

I am missing you all so much, I hope I will see you all soon.

Miss Prydderch xx
