

Mrs Jones' CLASS ACTIVITIES
Wednesday January 13th 2021

Here are the activities that you should complete today. Email your work/photographs of your work (please use your Hwb Email Account) to McBu-JoneA@hwbcymru.net

English:

HELP! I've seen an alien. Let's investigate some of the words and phrases that would help you to describe an alien to a friend if you ever saw one!

Adjectives are used to describe things (nouns) eg, The **fluffy, white** cat slept on the **large, comfortable** sofa. Your challenge is to describe the alien below using 2 adjectives.

Remember, use two adjectives that don't mean the same and separate them using a comma eg. The alien I saw had **fiery, oval** eyes. Write it out as a poem, give your poem a title and decorate your work. Think about your presentation too.

The alien I saw had:

_____	_____	horns
_____	_____	teeth
_____	_____	hands
_____	_____	skin
_____	_____	head
_____	_____	eyes

Maths:

The numbers shown are the totals of the line of four aliens in the columns or rows. Can you work out the missing totals? Show your workings out.

				<input type="text"/>
				<input type="text" value="25"/>
				<input type="text" value="20"/>
				<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text" value="26"/>	

Can you make one of your own alien puzzles?

Science:

Go on to Bitesize Home learning <https://www.bbc.co.uk/bitesize>

Click on:

- Learning at Home, Start a lesson.
- I am in.... Year 6/P7
- I want to learn..... Science
- Earth and Space

Watch the short video about Earth and Space. Test your knowledge with the short quiz. Now make your own poster to **Explain Day and Night**. Here is an example:

Don't forget:

Do some reading (20 minutes if possible please).

Practise those TIMES TABLES like we do in class. You could do this before you start your Maths work to get your brain warmed up. Also remember that there are lots of games to play on J2 Blast on Hwb, Prodigy and Hit the Button.

Remember to have fun!!! That's the most important thing when learning.

Stay safe everyone! I look forward to seeing your lovely work.

Mrs Jones xx
