

# Home Learning

Wednesday 13<sup>th</sup> January 2021

*Hello everyone,*

*You are blowing me away with how hard you have all been working. If you have any problems just send me a little email and I will help if I can.*

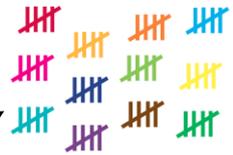

*Today I would like you to have a look at this story being read then complete the work on the story. You might like to watch with your little brothers and sisters if you have one, I think they would like it too!*

<https://www.youtube.com/watch?v=iUsHnKSyDHO>

## Maths

In the story the snowman used ice cream to cool down. He had 7 scoops of different flavoured ice cream.

I would like you to make a little table like this. Then I would like you to ring or message your family and friends and ask them what their favourite ice cream flavour is. Present it as a tally chart so you can count in 5's like in the picture.

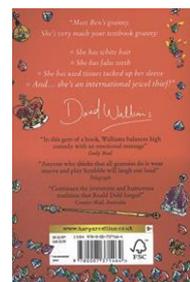

I have filled out my favourite (mint choc chip) for you and my little boy, Joshua's (strawberry) to get you started. If you want to add some more flavours you can. Make sure you keep this table safe, you will need it tomorrow. Can you guess what we will be doing next?

Favourite ice cream	How many
Chocolate	
Strawberry	
Vanilla	
Mint choc chip	

## English

In English we wrote a blurb for Lost or Stolen. Can you remember what a blurb is? Maybe you could get some books you have and read the blurbs for them to remind you.

I would like you to write a blurb for the story sneezy the snowman. You could add some pictures to it so it looks like the back of the book if you like.

**Topic**

I would like you get your Welsh Wednesday hats on today. There are lots of words associated with winter. Can you look up some of these words and what they are in welsh. You could even listen to how they sound and have a go at saying them.

If you want to have a go at writing some sentences have a go at writing about different weathers and draw some pictures to go with it

e.g. Mae hi'n bwrw eira heddiw.

**Remember** to keep practising your times tables using hit the button on top marks.

If you wanted to practise your cursive handwriting, then have a go at copying out one of your favourite stories blurb. If you can't remember your cursive writing then use this to help you: <https://www.twinkl.co.uk/resource/t-l-526897-twinkl-handwriting-continuous-cursive-desktop-handwriting-mat>

Email photographs of your work or you doing some activities to me. My email address is [ClaytonH11@hwbcymru.net](mailto:ClaytonH11@hwbcymru.net)

I will have a look at your work and share some examples on the school website.

Look forward to hearing from you!

*Mrs Reay x*
