

## Home Learning activities - Reception

Wednesday 7<sup>th</sup> July 2021

### Literacy

This week we are going to be looking at the story 'Monkey Puzzle' by Julia Donaldson and Axel Scheffler. Follow the story here:

<https://www.youtube.com/watch?v=DgeKHjLSQUM>

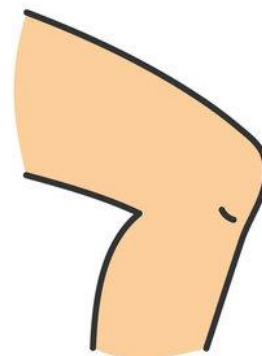

In the story, there are lots of rhyming words.

Can you make a list of all of the rhyming words or use pictures to help you?

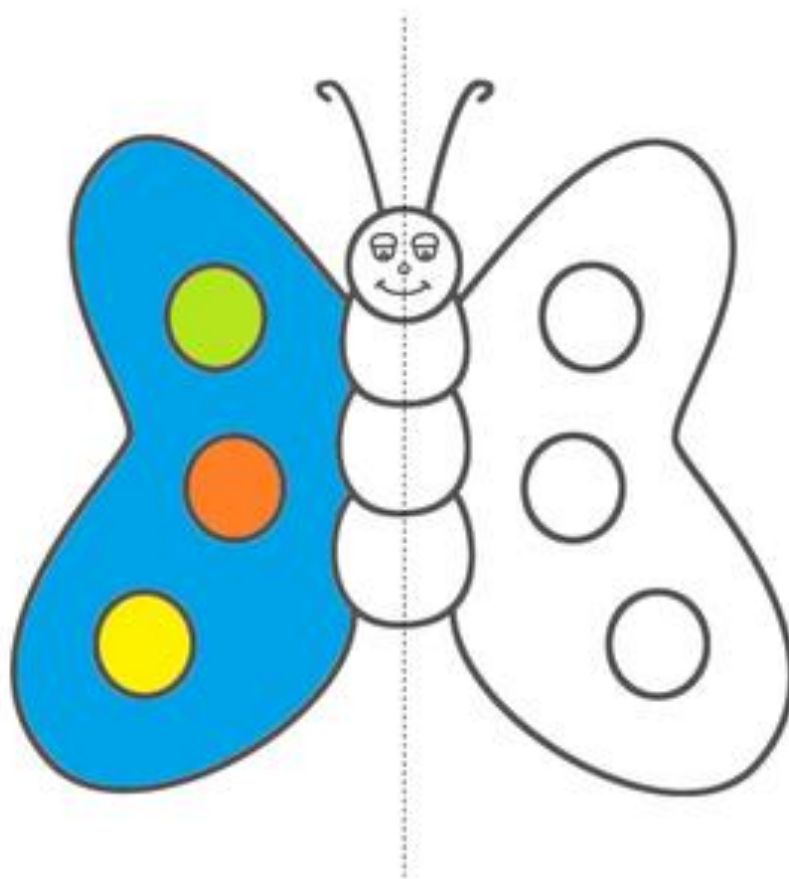

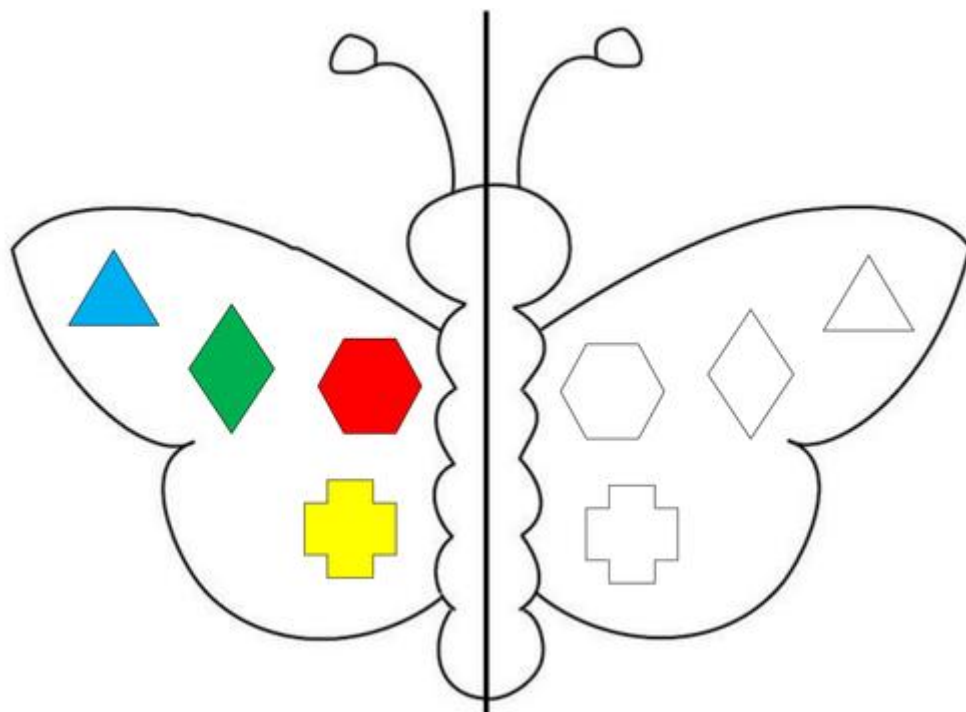

I have done some as an example.

- Grey hunk ----- curly trunk

## Maths

Yesterday, we looked at symmetry and you made your own symmetrical butterflies. Today, I would like you to complete the images I have added below to make them symmetrical.

## Topic

In the story the animals are in the jungle. Can you create a map of the jungle. What do you think it would look like? What animals would be there? Can you label your map?

Think about where the animals live.

Do they live in water/trees/on the land?

Please feel free to contact me and send work to:
