

Dosbarth Miss Ellis

Thursday 8<sup>th</sup> July

Today's story is called 'The dinosaur that pooped a pirate'. You can listen to the story by clicking on the link below:

[The Dinosaur the Pooped a Pirate! by Tom Fletcher & Dougie Poynter](#)  
[| Read by Teacher Charla - YouTube](#)

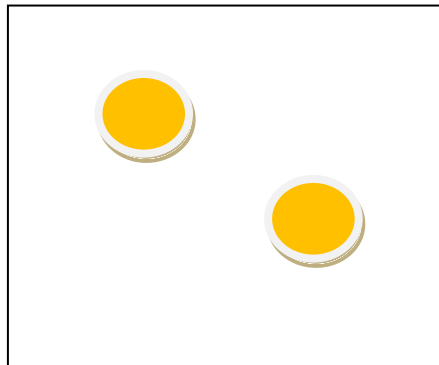

### Literacy

Pirates used to spend most of their time at sea and they did not have telephones. They would write letters but they could not send them in the post as they were in the middle of the ocean so they would put their letter in a bottle and drop it into the sea. I would like you to write a letter to one of your friends. You could write about what you have been getting up to, you could ask them questions about what they have done. Remember to write their name at the beginning and your name at the end.

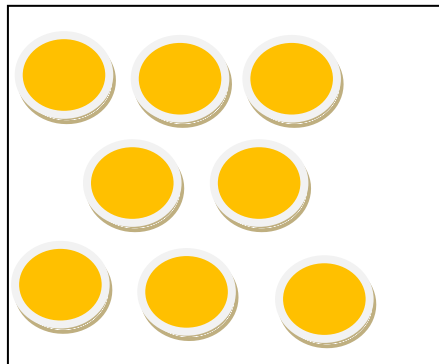

## Maths

The captain wants to share his treasure with his friend parrot, but he does not know how many coins they each should have. Can you help the captain work out how many coins they should have? To make it fair they should both end up with the same number of coins.

## Topic

Some pirates like to have parrots as their pet as they are very clever birds. Today I would like you to make your own pirate parrot. Remember parrots are very colourful creatures. You can make it using bits that you have at home.

*Remember to have fun!!! That's the most important thing when learning.*

Ask your mums/dads/grown up helpers to email photographs of your work or you doing some activities to me – [EllisS6@hwbcymru.net](mailto:EllisS6@hwbcymru.net). Miss Ellis x
