Literacy

Today I would like you to draw a picture of what you would look like as a pirate. Don't forget to include the hat you made yesterday. Once you have finished your picture can you tell me your pirate name, what your ship would be called and what you would like to do as a pirate?

My name is Captain
Feathersword.

My ship is called
the golden skull.

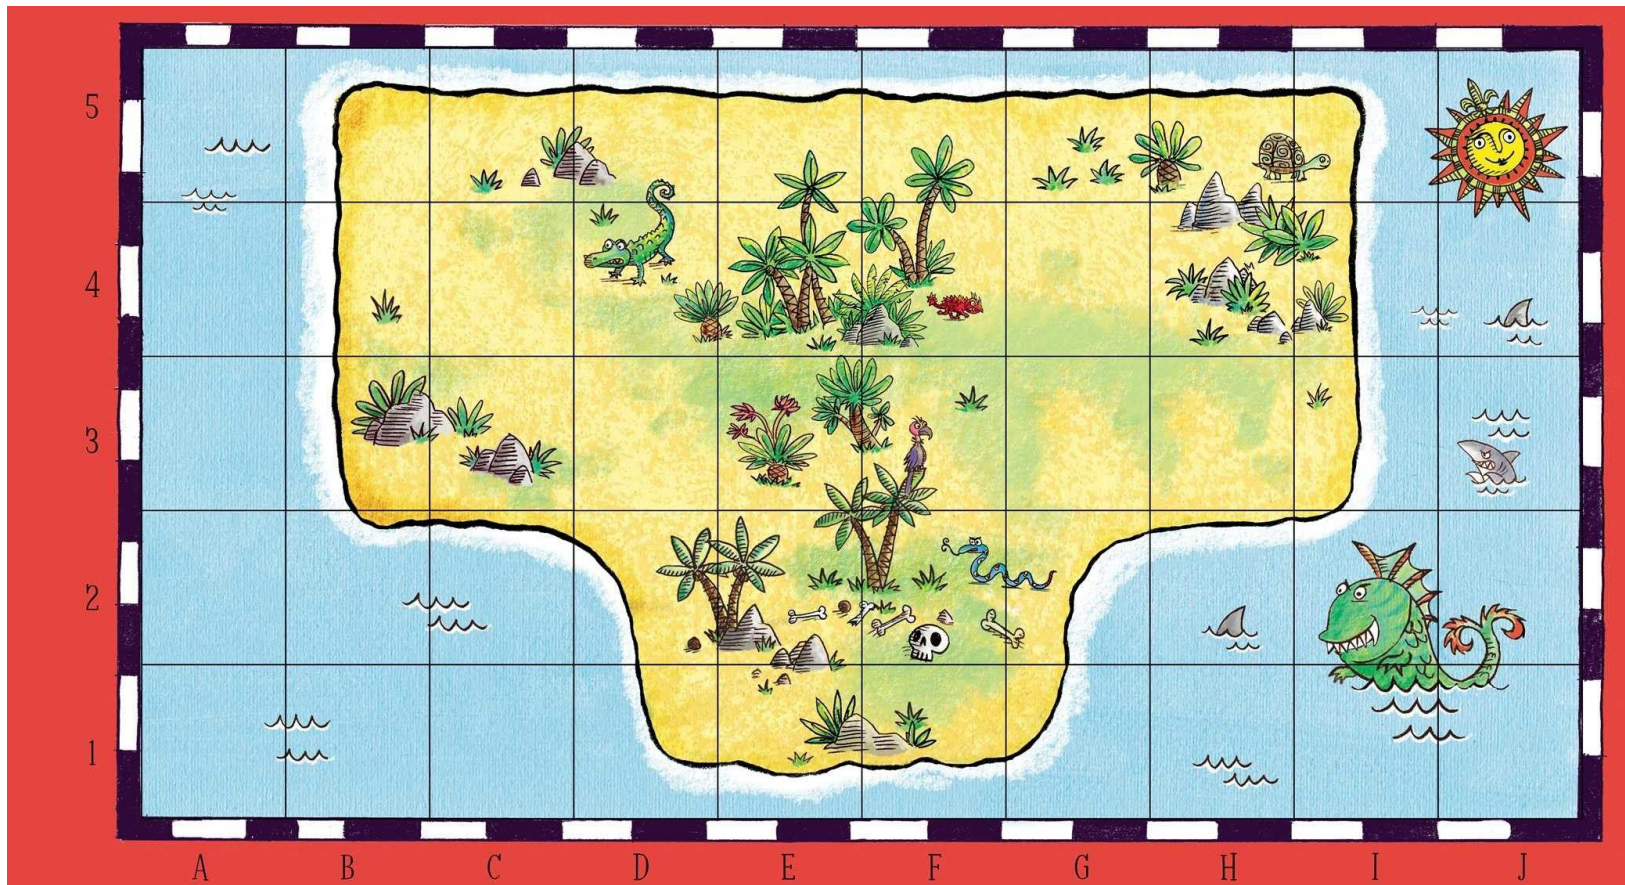

I have a very colourful parrot.

I would sail the 7 seas.

I would look at my map.

Maths

Below is the captain's map. I need your help to find the location of some of my friends. You need to write down the co-ordinates for each one. To write the co-ordinates you must write the letter first then the number (The skull is in F,2)

1. Where is the crocodile?
2. Where are the sharks?
3. Where is the purple vulture?
4. Where is the snake's head?
5. Where is the red lizard?

Topic

We did some Yoga last week in class which was all about the bear hunt story. We really enjoyed it so today I would like you to take part in pirate yoga. Click on the link below to join in with Jaime and the pirates!
