Literacy

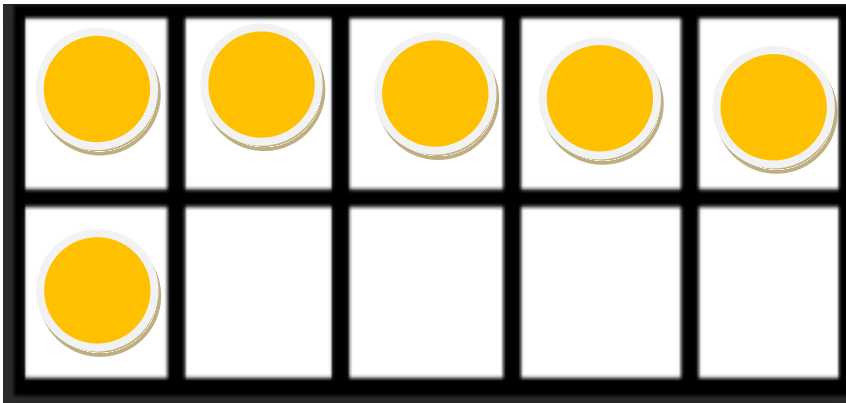

Pirates love treasure and they like to keep their treasure hidden away. Today I would like you to think about what you treasure. Draw a picture and write about what you would put in your treasure chest.

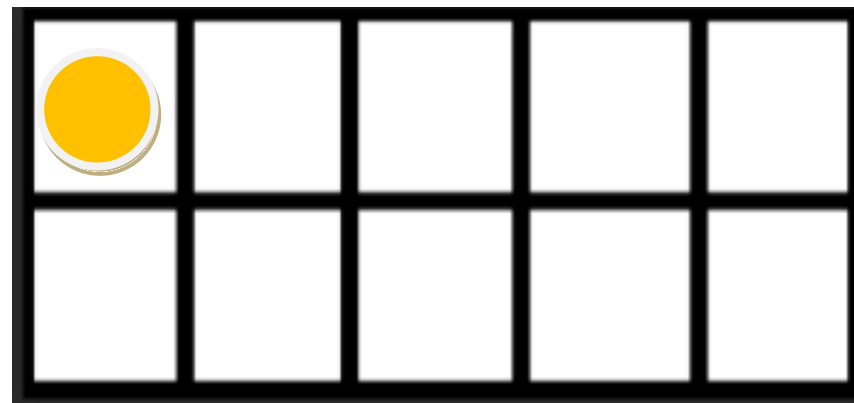

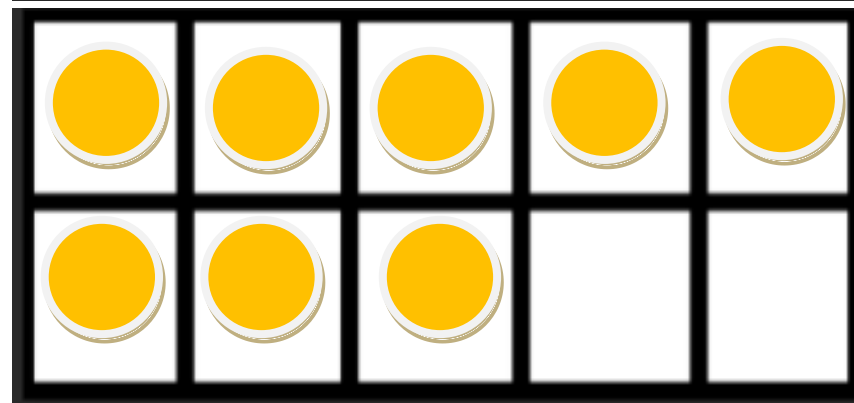

Maths

Last week in class we were looking at number bonds to ten. Below is some of the captain's treasure. Can you work out how many more coins the captain needs to make 10 coins altogether? Remember to write the Maths story down (e.g. $4 + 6 = 10$)

Topic

When pirates hide their treasure, they have to make a treasure map, so they remember where they have buried it. Can you make up your own treasure map? Remember to colour and label the pictures.

Remember to have fun!!! That's the most important thing when learning.

Ask your mums/dads/grown up helpers to email photographs of your work or you doing some activities to me – EllisS6@hwbcymru.net. Miss Ellis x
