

Home Learning – Monday 5th July

I am sorry we are back here again children, but I know you will all blow me away with your work once again.

English

Let's think about the new school year and a fresh start. What do we want to achieve? Whether you are moving onto High School or moving into Year 6 it can be a big move.

I would like you to write a letter to yourself in the future, letting them know what you want to achieve or things you want to overcome. You could keep this and, in the future, read it back and see if you accomplished all those things you wanted to.

Ideas:

- What advice would you give yourself when starting something new?
 - What would you like to change about yourself?
 - How can you improve yourself?
 - What are your ambitions?
 - What are your goals?
 - What are your dreams?
 - Who would you like to get to know?
 - What new things would you like to take part in?
 - If you were somebody else starting a new year at school, what would you tell them?

Maths

We have been learning about ratio in school. Can you complete the following ratios?

B. One in every five is blue.

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

Yellow to Pink

Blue to orange

Topic

As we made a start on our DT last week, I would like you to design your mask. Remember it needs to be a safari animal and think about what you included on your mood board.

You could watch the clips of The Lion King Musical on YouTube to remind you about the different animals and how they were made.

I would like you to label your design with the materials you are going to use and colour it. I can't wait to see how you use your imagination.

I am looking forward to seeing all your wonderful work.
