

English

I would like you to create a leaflet highlighting and giving more details about some of the features of your own safari tour.

You could devote a page to:

The accommodation; Transport and safety; The hot air balloon trip; The animals; The orphaned animal sanctuary

You can either do it on paper or use ICT.

Maths

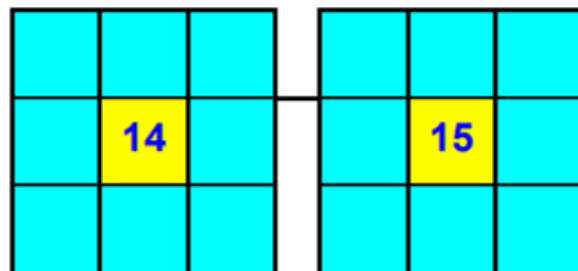

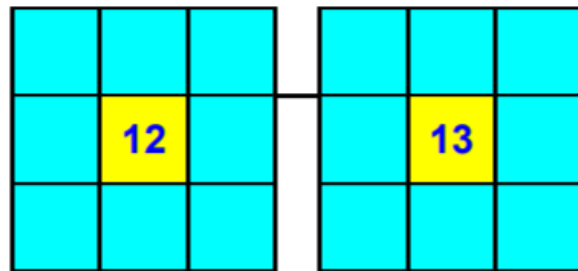

It's challenge time. Can you complete the puzzles?

Draw the grid out on to paper and fill in the missing numbers. It doesn't mater how many tries it takes, just keep trying.

Puzzle time

12 to 15

Can you put the numbers 1 to 8 in each of the squares so that each side adds up to the middle number?

Topic

Now you have designed your mask. I would like you to have a go at making it. Use the different things you have in your house (you don't need to go and buy things). You all have wonderful imaginations and I know they will look fantastic, I cant wait to see them all, so get creative.

Remember to try to read for 20 minutes a day and practice your times tables.

I am looking forward to seeing all your wonderful work.

Mrs Wilkes
