Miss Gwilliam	8:50 a.m.	3:20 p.m.

**Miss Gwilliam will be teaching 3/4D as Miss Davies is on Maternity Leave.*

- In line with school guidance, we politely request that parents/carers do not remain on the premises/at the gates longer than necessary when dropping off/collecting children.
- Please telephone school or email your child's class teacher if you need to make contact.
- We encourage all parents to wear a mask when dropping off/collecting.
- We will continue with most of the measures we have in place and will monitor the Covid situation over the next couple of weeks. There will be regular handwashing and ventilation and classes will spend their time together in order to limit contacts. Additional cleaning will also be in place during the school day.
- Your child should not attend school if he/she has any of the Covid19 symptoms (high temperature, persistent cough, loss of taste and/ or smell). A test should be arranged as soon as possible and your child will need to self-isolate until the outcome of the test. If the test is negative, your child can leave self-isolation and return to school.
- If your child has one of the wider symptoms, please arrange a test. You may be asked to keep your child at home until the outcome of the test is received.
- Please let us know if your child has a PCR booked and share the results with us.
- Breakfast Club and After School Club will be open as usual.
- We will forward details for Parent Pay with you as soon as we can.

We look forward to working in partnership with you this school year and we will keep you informed of any further developments as they happen.
