

Following half term, we are planning to start our After School Clubs. Rather than having classes mixing for Clubs, they will operate on a class basis. The Clubs will be for Year 2 to Year 6 and will run until 4:00 p.m. (no charge). Year 2 children can be collected from Y Canol's entrance and Years 3-6 from the Main Entrance.

COVID 19 Updates

We remain cautious to ensure the safety of our Heulfan family.

We would like to thank our parents for their vigilance and for keeping us so well informed. Since September, we have all done so well and let's hope that this continues over the rest of the year.

If your child does have a cough or cold (or any wider symptoms) please do book a PCR. Your child will only be absent for a couple of days whilst awaiting results (for the main symptoms) and can return to school following a negative result.

As a school, we have been prompt in sending the Warn & Inform Letters (as directed by TTP) and this has helped to ensure that cases do not spread across classes and school.

Information and Updates:

- ✓ The children just love all of the fruit that we are now able to supply. HUGE thanks to our parents for all contributions.
- ✓ We are planning individual and sibling photographs on Tuesday 19th October. We will not be inviting siblings from other schools or babies at this time. The photographs will only be for individuals or for brothers/sisters who attend our school. We will invite all children and brothers/sisters to have a photograph on the day.
- ✓ We are contacting parents via texts and emails if we have an unexplained absence. We ask parents to respond to messages as it is very important that we know why the children are absent. Thank you.
- ✓ All classes are looking fantastic and the children are working and behaving so well. We are thrilled with all of our Angels!
- ✓ School closes for half term on Friday 22nd October and re-opens on Monday 1st November. We hope all of our families have a lovely break.

We will not be having Christmas Concerts in school this year.

Each class will be doing something special to share online with parents and families ... watch this space!

We are supporting a local fund raising project to raise money for one of our children who lives in Bradley. We need to raise money to go towards the purchase of a specialist bike which will give her mobility independence.

We are aiming to raise £500.

We will be holding a no school uniform day on Friday 22nd October to start our fund raising. We know our families will be generous and thank you all in anticipation of your support.
