

Dear Families

We have started Outdoor Learning this week. Please send in kit which should be warm clothes such as jogging bottoms or leggings, a top and a hoody or sweatshirt. Layers are good. They will need warm socks and wellies in case they get muddy or wet and as the weather changes and becomes colder your child will benefit from a hat and gloves too.

If your child's outdoor learning takes place in the morning, they can come into school dressed for outdoor learning but will need to change into their school uniform afterwards. If their session takes place in the afternoon your child will come into school in school uniform in the morning as usual, then change into their outdoor learning clothes ready for the afternoon.

Please note the children in Miss Ellis' class will come in dressed in their kit ready for their afternoon session on Friday morning. If they get wet or muddy in the afternoon, we have spare clothing in the department for them to change into or alternatively you could send in dry clothes. Please could we politely ask that you return the spare clothes on Monday so they can be used again the following week? Thank you.

Timetable for Outdoor Learning for Year 1 to Year 6

Class	Outdoor Learning Session
Miss Barnes	Monday morning
Mrs Wilkes/Miss Holley	Monday afternoon
Miss Tinn	Tuesday morning
Miss Gwilliam	Tuesday afternoon
Miss C Davies	Wednesday morning
Miss Williams	Wednesday afternoon
Miss Lloyd	Thursday morning
Miss Prydderch	Thursday afternoon
Mrs Reay/Miss Parry	Friday morning
Miss Ellis' Year One children	Friday afternoon

Staff will accompany the children outside and groups of up to 15 pupils will be outside at any one time. We will ask teachers to send out letters telling you which week your child will attend their Outdoor Learning sessions.
