

Christmas Home Learning – Early Years

Around your house there will be lots of Christmas decorations with stars on them.

How many can you count?

Or

Wrap up warm and go for a walk with an adult and see how many houses you can count with beautiful Christmas decorations outside.

Design a new stocking for Christmas.

What different shapes can you spot on your Christmas tree?
Can you draw and name them?

Have a go at learning this famous Christmas song with Mr Tumble. Can you and your family have a go at doing the Makaton for it?

<https://www.youtube.com/watch?v=sQTAUe-B0MU>

Let's have a go at some Christmas yoga. Can you stretch your body to create the Christmas shapes below?

- A tall Christmas tree
- A star
- A snow angel
- A snowball
- An ice skater balancing on one leg

Read stickman, if you don't have a copy then here is a link to a video of it

<https://www.youtube.com/watch?v=qhflzw9Gf6Q>

He has a wonderful family who love each other very much.

What other Christmas stretches can you think of?

Draw a picture of your family at Christmas time.
