

## Y Canol Activities

This week our activities are based around the story: 'Dear Santa' by Rod Campbell

Please follow this link to enjoy the [Dear Santa Sensory Story](#)

### **Let's Get Moving –**

Moving with different papers and wrappings and balloons.

I love to scrunch with my hands x3 My hands move every where with me.

I love to kick with my legs x 3 My legs move everywhere with me.

I love to roll on paper x 3 My body rolls everywhere with me.

### **Getting Creative**

Choose a box from your recycling. Fill it with items that make different sounds e.g. rice, pasta and beads. Allowing your child to lead the choices. Encourage your child to wrap the present up or decorate with chosen paper. Add embellishments e.g. bows or string, as chosen by your child.

### **Let's Discover –**

Explore different boxes containing different favoured items and resources from in your house. Place in the box or in other packaging and encourage your child to co-actively open and then engage with their favoured toys. Re-wrap and repeat, as appropriate.

HAVE FUN, keep safe and enjoy every minute!
