

## Class 1 & 2 Activities Friday 18<sup>th</sup> February 2022

Have a look at your child's Termly Targets and see if you can link any to the activities shown below.

Here are some activities you can complete. We have chosen songs and activities that we know the children like to do in class. Keep Practising your Makaton signs too!!

### **Story time**

This week all our activities will be based around 'The Gruffalo's child' story. You can listen to the story and look at the pictures using this link: [The Gruffalo's Child by Julia Donaldson - Children's story/Audiobook/Read-aloud. Kids Book. - YouTube](#) Get comfy and enjoy!

### **P.E**

Can you move your body like the animals in the story? Can you stretch long like a snake, run fast like a fox and tip toe like a mouse? Can you think of any other animals?

### **Maths**

Watch this song on You Tube all about counting owls:

[Kids Songs - Ten Little Owls - Counting for Kids - YouTube](#)

Can you count your teddies? Can you add or takeaway using them?

### **Mark making**

The different animals in the story leave marks in the snow. Can you mark make in some dry/wet flour in a tray? You can use salt, shaving foam and sugar too. You can make patterns or write your name. Does it work better in dry or wet soil?

**Most of all, please have lots of fun and stay safe!!  
Have a nice Half Term!**

If you would like to share the pictures of your child completing these activities, please send them to your child's teacher's hwb email account.
