

Dosbarth Mrs Dixon Activities

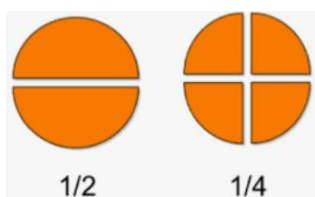

Friday 18th February 2021

Please look at your child's Individual Education Plan (IEP) to make links between that and the activities below.

Please remember that Language is really important and the more you talk to your child the more they will pick up and understand.

Please practice the sounds that the letters make – we love doing our speed sounds each day!

Activity 1 –

We have been learning about halves and quarters this week. I would like you to make a sandwich (or a cake, Pizza, sausage roll) and cut it in half then into quarters.

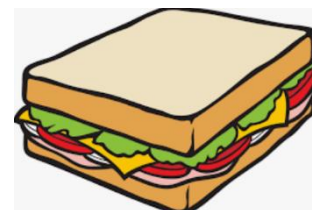

Ext: Can you draw some shapes and colour in $\frac{1}{2}$? Can you draw the shapes again and colour in $\frac{1}{4}$?

Activity 2 –

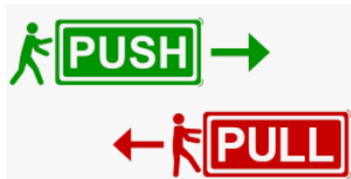

Tell your grown up how you made your sandwich. What did you do first? What did you do next? Finally you...

Remember to use bossy language!

Ext: Write these instructions down and draw a picture to help me make my own sandwich.

Activity 3 –

This week we have learnt about push and pull. Collect together some of your own toys and sort them into those you push, those you pull or those you do both to.

Ext: How can you make your toy go faster? Can you make your toy go slower.

Today I would like you to explore the Silly Education YouTube channel for push and pull songs and phonics songs -.

<https://www.youtube.com/c/SillySchoolEducation>

Please send me pictures or messages to let me know how you are getting on with the activities or if you need any help.
