

Activities for Dosbarth Mrs.Primrose

Friday 18th February 2022.

Hello Everyone! Our activities are going to be based on a story we have shared many times during our 'carpet time' sessions, it is one of our favourite stories –

'A Squash and a Squeeze' by Julia Donaldson. There are many lovely versions to listen to on YouTube – so please sit down together, relax and enjoy!

MARK MAKING IDEAS:

- Draw the house that the old lady lived in – can you remember all the animals who moved in with her? Try and include them all in your picture!
- Sometimes my house feels a bit of a 'squash and a squeeze but..... it is my home so that makes it 'perfect' for me! I want you to draw a picture of your home and all your family members – remember to include any pets you may have. Can you say why your house is 'perfect as it is', e.g. 'My house is perfect because it is filled with love!' Talk about why your house is so special to you and try to write down your thoughts/feelings (a grown up can help!).

MATHS:

- Can you count all the animals who moved in with the old lady? How many were there altogether? Now can you count how many legs, eyes, noses, and tails they each have!

ART 'N' CRAFT:

- Use an empty cereal box (or similar) to decorate and make the old lady a new house for herself and ALL the animals to live in! If you don't have any empty boxes then draw your design and colour it in brightly using whatever colours you have at home – I know how creative you all are so I look forward to seeing your wonderful designs!

If you don't manage to do all of these activities then please don't worry, but if you do any then.....

Please remember to email photographs of your amazing work (and beautiful smiling faces!) to:

Ms.Primrose (Nursery) – PrimroseS5@hwbcymru.net

I hope you all having a lovely half term holiday next week. You are all my little super stars! I am so proud of you all! Have lots of fun – see you on February 28th!

Love,

Ms.Primrose xxxx
