Anticipating in a Familiar Song: Moving to the Music

To the tune of here we go round the mulberry bush

This is the way we walk/jump/hop/spin/ glide/bounce in the snow

When we have a snow day!

This is a great opportunity for choice making too !

Early Concept Development

Explore a selection of clean shoes from your home. They could be: slippers, flip flops, wellies, high heels etc.

Focus on the different features with your child.

It's soft, soft and smooth, smooth, smooth.

It's hard, hard and bumpy, bumpy, bumpy.

Creative Development - Art and Design

Make pattens using different footwear, using them as tools with hands or feet to create special designs

If you're brave enough, you could venture outside to make tracks or marks in the snow

Or: a grown up could bring some snow in for you to explore and/or make marks in.
