

Home learning activities - Reception

Go outside in the snow (with permission from a grown up) and trace letters in the snow. Can you write your name too?

Using junk/recycling from around your home, can you build a new house for the three little pigs? You might decide to use blocks/lego.

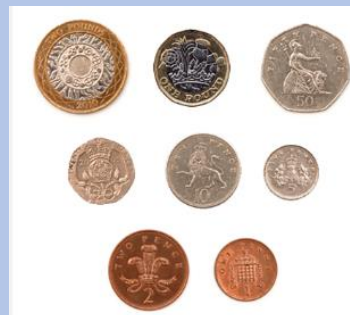

Go outside (with permission from a grown up) and look for different footprints. Can you guess what animal they are from? You could draw the footprints to match the animal.

Join in with some P.E activities and do some yoga. Follow the link to join in:

We have been learning about money and looking at different coins. Can you set up a shop at home, using your toys? You could give your toys a price and ask someone at home to be your customer.
