

More snow today so we will carry on with the competition. Build a snowman or snow sculpture of your choice. Use resources outside and inside your home like twigs, stones, scarves etc. to make your sculpture as creative as you possibly can. There will be a prize for the winner!

Practice your times tables.

Read your reading book.

Create a poster all about how to have a healthy lifestyle.

Choose an animal and research its habitat- where does it live and why?

## Year 3/4 Home Learning

Choose some of these activities to complete

Create your own front cover for *George's Marvellous Medicine*. Can you include any of the characters and animals from the story?

Create a new character for *George's Marvellous Medicine*. Draw a picture and describe what they look like.
