After watching the video, make a list of all the light sources you can find around your house. Draw a picture and label it. Remember you can copy from your grown up if you need to!

Activity 2:

We have been working on O'Clock and Half past. Using a clock in your house I want you to tell a grown up what time it is when you have breakfast, snack, play time, watch TV, Lunch, Bath time, go to bed. Keep practicing telling the time it is very important!

Activity 3:

Today I would like you to help your grown up making the lunch or the Tea. In school we have learnt to peel, chop, mix, spread and knead. Make sure you wash your hands first! I would love to know what you help to make and know if it was yummy!

Don't forget the competition Mrs Thomas set yesterday to see who can build the best snowman/snow sculpture. I'm looking forward to seeing your entries.

Have fun and Don't forget to send in your pictures!
