Dear Parent/Guardian,

Re: Year 6 Trip to DangerPoint

We have arranged a science trip to DangerPoint for Year 6 on Monday 15th January 2024. The children will be participating in a range of activities that will educate them on Health and Safety issues.

We plan to leave from school after registration and will arrive back at school before the end of the day. Your child will require a packed lunch and we are able to provide one (we will check with your child if they would like to order a packed lunch for Monday and we will also have spares available on the day).

Transport will be provided by Strafford's Coaches. As we have received sponsorship for the trip there will not be any charge for this outing.

The member of staff in charge of the group is Miss C. Lloyd and four other members of staff will also be attending. There will be a total of 39 children on the visit. Insurance by the County Council covers all legal liability of the Council to young people on the visit but does not provide personal accident cover where the Council has no liability.

Destination address is DangerPoint, Station Road, Talacre, Flintshire CH8 9RD.

I am sure that the children will enjoy this special outing and as we have parental consent for trips across North Wales, no other paperwork is required.

Please contact school if you require any further information or if you would like to view our Risk Assessments.

Yours sincerely,

J. Thomas
